

ELITE WARRIORS and BIZ EXECES UNITE IN
the 1st ANNUAL KNOCKERBALL® GAMES.

TWO ELITE COMMUNITIES JOINING FORCES TO HELP STOP VETERAN SUICIDE

Our Mission Has Four Primary Objectives:

1. HELP STOP Veteran suicide by increasing local and national awareness.
2. Support the NO FAIL MISSION'S program to rehabilitate NSW veterans with brain injuries.
3. Make it easy for area business leaders to FIND and HIRE Elite Leaders retiring from NSW.
4. TO ACHIEVE OUR MISSION.

Failure IS NOT an Option.
We CANNOT Leave These Men Behind.

Why? Because NOW... THEY NEED US!

THE REALITY

The freedoms that make it possible for us to profit as business owners and executives ARE NOT FREE. Many of our liberties exist because our brothers and sisters have fought and are fighting valiantly to secure and protect them. Battles WE avoid thinking about and perhaps take for granted and their dark side.

THE DARK SIDE

No one wants to think about it, but WE lose 22 of our nation's finest to suicide. EVERY. SINGLE. DAY. Battle induced neurological and physiological injuries play a large role in these losses. Limited comprehensive transition programs plays another role. Fortunately, new programs are emerging and we are rapidly figuring out how to mitigate these losses and REDEEM our warrior's future.

THE SOLUTION

Awareness and Care = REDEMPTION. Through the NO FAIL MISSION program warriors suffering from brain injuries can get the comprehensive care they need and deserve to become productive and prosperous humans again. When they thrive, their families and communities thrive. That's good for business, for country, for the world. But... great emerging care requires a great investment.

THE INVESTMENT

Great care requires a great investment. The highly customized care designed by the NO FAIL MISSION is extensive. Their objective is to bring the vets in the program as close to "back to normal" as is possible. The cost for each participant can run up to \$14,000 each. The great news is that as the NO FAIL MISSION expands, costs are coming down. Our GOAL is to raise \$308K so we can send 22 veterans through the program.

THEY'VE MORE THAN EARNED THE RIGHT TO OUR HELP

THE AUCTIONS

WEAPONS AND TACTICAL GEAR

The Auctions: We know how much Americans love their weapons and tactical gear so we're going to hold a live and silent auction. You'll get an opportunity to bid on weapons and gear frequently used by members of the Naval Special Warfare community.

All proceeds raised will support enrollment of NSW veterans with brain injuries in the NO FAIL MISSION program funded through the NAVY SEAL FOUNDATION.

Live Auction:

During the live auction you will have an opportunity to bid on speciality weapons and memorabilia frequently used by the Naval Special Warfare community.

The live auction will start directly following the Knockerball games.

Silent Auction:

During the silent auction you'll get the chance to buy tactical gear, ammunition and weapons by placing your silent bids.

The silent auction will start at 11am with the drawings taking place at 1:30pm

THERE'S NOT MUCH THAT'S COOLER THAN OWNING THE SAME KINDS OF WEAPONS AND TACTICAL GEAR USED BY SEALS.
