Michael Seedman
*Journey of a
Technology
Entrepreneur*

Michael Seedman is an entrepreneur, investor, consultant, designer, and seasoned business executive. His leadership roles include Senior Vice President and General Manager of U.S Robotics, Industrial Partner for Ripplewood Holdings, Executive Partner at SAC Private Capital, and Executive Partner at Siris Capital. He has also started multiple companies, including Practical Peripherals and Entrega Technologies, both of which sold to strategic investors. Michael presently serves on the Board of Trustees of the Illinois Institute of Technology (IIT), the Adler Planetarium, as well as three private boards. Michael is also involved with FIRST Robotics as the Illinois sponsor for First Tech Challenge.

Steve Preda
*Entrepreneurial
Operating System*

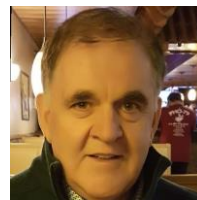

Entrepreneurial Operating System® Steve is a licensed EOS® Implementer and a dynamic speaker on the topic of Management Blueprints, that help business owners and CEOs that are concerned about slow growth, disappointed by the low level of profitability or frustrated with having to work long hours in the business.

Nancy L. Grden,
*Funding Environment
in Hampton Roads*

Nancy L. Grden is the Interim Associate Vice President for ODU's Institute for Innovation & Entrepreneurship (IIE), a one-stop shop for the community and for ODU students, faculty/staff, and alumni seeking resources and services for innovation, entrepreneurship, and new enterprises. She is also the founding Executive Director of ODU's Strome Entrepreneurial Center.

Greg Twitt
*Connecting
Hampton Roads*

Greg Twitt is the CEO of Globalinx a Tier-III carrier-neutral multi-megawatt data center campus in Virginia Beach, VA, developed to facilitate direct connectivity between subsea fiber and terrestrial fiber systems.
