INNOVATION COLLABORATIVE HAMPTON ROADS

The State of Information Technology in Hampton Roads

Keynote Speaker 4pm

In 2014, Governor McAuliffe appointed **Brian Moran** to be the first *Secretary of Public Safety and Homeland Security* in Virginia history. Secretary Moran oversees a portfolio of 11 state agencies and the Homeland Security and Resilience Staff Group. He serves as the Governor's Homeland Security Advisor, charged with being the primary liaison to the Department of Homeland Security and the Virginia Fusion Center.

Special Lunchtime Speaker (Noon)

Joe McMahon, US Navy's Echelon II Command Information Officer (CIO) for the Naval Safety Center and as the Navy Deputy Logistics Functional Area Manager. He is a principal advisor on the alignment of IT investments to business priorities/assigned missions and cybersecurity strategies.

9am Andrew Cole, Director of Solutions Engineering for Peak 10 + ViaWest
A Look into Hybrid IT; What Is It? Who's Using It? How to Apply It.

11am Chris Lumpkin, Senior Solutions Architect, CAS Severn
Protecting Your Organization from the People with Access to Your Most Critical Data – The IT Team!

2pm Josh Haley, Business Solutions Architect, NetApp + SLAIT Consulting
Next Generation Data Management for the Hybrid Cloud.
