### Tech Tuesday Session 30: Hot Cyber Topics for 2023

Tuesday, June 13, 2023 - 12-1:00p EST

Led by: Katy Craig, Staff Security Engineer at G2 Ops.

Eventbrite Registration at: <https://whatshotincyberg2ops.eventbrite.com>

G2 Ops helps companies stay ahead of cyber crime and IT threats by identifying and measuring weaknesses before incidents occur, then providing remediation priorities based on individual business and financial risk thresholds.

Though many of their areas focus on military, there is still much that is application to civilian use.
