

"How to Do Business with NASA Langley"

Live Presentation

Tuesday, August 23, 2016 - 2:00 PM ET

Have you ever wanted to know how you can partner with NASA Langley Research Center? NASA Langley Technologies and capabilities can assist in accelerating solutions to technical challenges and in creating new technologies, products, and companies. This webinar will provide practical guidance on how to take advantage of these technologies and capabilities through licensing, Space Act Agreements, CRADAs, joint research, and other forms of collaboration.

Join us on August 23, 2016 from 2-3 PM Eastern Time for a live presentation and Q&A session on how your organization can partner with NASA Langley Research Center.
