featuring

**Mayor Linda Johnson**

The only constant in life is change. As a result, we're constantly shifting, evolving and moving to adapt to the circumstances in our lives and to the world around us. A job change, a job loss, a layoff, a foreclosed house, a failing business, a new baby, marriage, divorce, death; something forces you to re-evaluate your life and...pivot.

No matter your stage in life - a new college grad, a new mom, an empty nester or a retiree - you're pivoting because the only constant in life is change. Come to the July 2017 meeting and you'll learn about women who have figured out how to pivot with grace and come out ahead. Join us and you'll be inspired and challenged to create a new path.

**WHO SHOULD ATTEND?**
